

Empty Bowls Event Sponsorship Opportunities

Wednesday, Oct. 26, 2022

11:30 a.m. – 1 p.m.

Hyatt Regency Jacksonville Riverfront

Feeding Northeast Florida's annual signature fundraising event at the Hyatt Regency Riverfront in downtown Jacksonville invites 300+ community and business leaders to experience a simple luncheon of soup and bread to bring attention to the issue of hunger in our region. Each attendee receives a bowl hand-crafted by local students and artisans as a powerful reminder of the empty bowls in our community.

As the cost of living steadily continues to rise, more of our neighbors are turning to food assistance pantries and programs to make ends meet. Our local families are not only experiencing higher prices at gas pumps and grocery stores, but also facing some of the largest percentage increases in the nation in rent and home ownership costs.

**Please lend your support today.
Kindly review corporate sponsorship opportunities on the reverse.**

Presented By
MORGAN & MORGAN

Hunger exists in every zip code of our Northeast Florida region.

Your sponsorship provides critical funds to enable Feeding Northeast Florida to serve our neighbors. Skyrocketing costs for food, gas, and housing have made it harder for many families to access enough food.

To discuss opportunities please contact:

Sarah Dobson
Feeding Northeast Florida Director of Development
